CLASS OF 2023

We are thrilled to share with you the incredible journey of our Faith Harvest Bible School 2023, where 57 students from diverse nations and states graduated on the 3rd of September. This marks the 4th year of a significant milestone in our journey of teaching, equipping, imparting and sending labourers into the harvest of the Lord. The students took over 500 hours of teaching in a period of 4 months. More than 80 hours were personally taught by Pastor Shan Kikon. A total of 33 teachers taught in the school, including 7 from overseas.

A GLOBAL COMMUNITY OF LEARNERS

Faith Harvest Bible School is a four months intensive training course for those who are called to full time ministry and also for those who have a heart to serve God. Our bible school embodies the spirit of unity in diversity. This year we hosted students from

4 different nations and 10 states of India. This unique gathering of diverse individuals was enriched further by the presence of anointed and gifted teachers functioning as Apostles, Pastors, Teachers, Prophets and Evangelists. This diversity greatly

enriched the learning environment, fostering a deep sense of unity and spiritual understanding among the students. It's inspiring to witness the beauty of God's word transcending races, ages, borders and uniting hearts.

Immersed in the Move of the Holy Spirit

An incredible aspects of the school's journey was the deep spiritual growth experienced by the students. They were immersed in the move of the Holy Spirit every week, leading to powerful worship experiences and deep encounters with God, miraculous healings and a renewed sense of purpose. The testimonies of these encounters have been awe-inspiring reminding us of the amazing love and grace of God.

Testimonies of Grace & Freedom

These stories are a testament to the life-changing impact of our Faith Harvest Bible School and the unwavering love of our Creator.

Mr Ajit Kumar

Ajit Kumar from Tamil Nadu. This school has laid a powerful foundation of the word and the Spirit in my life and ministry. I knew the Gospel of Grace but I could not preach to all people because I was fearful of men. But as I sat under the preaching and teaching of Pastor Shan about Grace my fear left and also my confusions. This School not only focuses on Power and Prophecy but it teaches and we witness integrity, obedience, submission and humility. This School really equipped, imparted and is sending me to reach the nations. And Praise GOD, I came to know this school through media. The media team are doing an amazing job. Thank you.

Luk Bawn from Myanmar. I attempted 4 times to come to this Faith Harvest Bible School but couldn't because of many different reasons. I began to grow restless as I waited upon God for His timing. The pressure from friends and family added more doubts. But I stood on His Word and waited for Him. It was only this year that I could come and be a part of this amazing school. God provided me with everything including my school fees, travel expenses, food and even the tiniest needs of mine. God has been faithful and I learned to trust on Him in all circumstances of life. I learned a lot in the school to serve and obey as well. I experienced breakthrough in my life and I am all ready to go and serve in my home church in Myanmar.

Mr. Luk Bawn

Mr. Bishwamittra Monjam

Bishwamittra Monjam from Manipur. Before coming to Faith Harvest Bible School, because of the communal war that broke out in Manipur, our Church was pulled down and burned. To add to this, the Meitei Christians were chased and persecuted as well and therefore we had to be in hiding for several days. These things brought about hatred, unforgiveness and fear came. But as I joined the school and sat under the teachings of different anointed teachers, I was able to release forgiveness and in no time my hatred and fear vanished. And as I stood on the Word and practiced generosity, God blessed me with amounts I never thought I would receive. This school has transformed my life and my perspective of the kingdom of God. My spiritual walk with God is strengthened and I am very thankful that I was a part of this School. .

Vekhozo Lohe from Kohima. My time in this Bible School has been an amazing experience. I was blessed and privileged to sit under the teachings of so many wonderful and anointed teachers of the Word, who have greatly impacted my life with their teachings and also inspired and motivated me with their testimonies and stories of their faith journey. The teachings on 'The Gospel of Grace' by Pastor Shan Kikon in particular helped me to know and understand the true Grace of God. I was a performance oriented Christian all my Christian life before I came to the bible school. I was always trying to win God's favor and approval by my works and observing religious duties and activities. The Gospel of Grace has set me free from self condemnation, guilt and all the wrong understandings and false beliefs I had of God's Grace. The truth of God's Word has set me free today and now I have a genuine, vibrant and intimate relation with my Heavenly Father. Thank you FHBS.

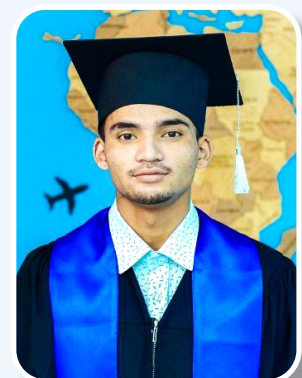

Mr. Vekhozo Lohe

Ms. Sushma Rai

Sushma Rai from West Bengal. I was born in a Christian family and grew up in a traditional Sand religious church. As I grew older my thirst for knowing God and His Word increased. Eventually God opened the door for me to be in Spirit of Faith Bible School. I was born again, spirit-filled and received the message of Faith. God promoted me and I worked as a staff in a new church, City Church. But my thoughts were that, I have to please God with my works. I tried to earn God's favour, blessing and His approval. My spiritual life began to fall and that is when I realized there was much more than just Faith. As I started seeking God in prayer, the Holy Spirit highlighted to me this Faith Harvest Bible School. Initially, it was difficult to receive the Grace message but as I opened my heart, God delivered me from my bondage of slavery, and truly, this message of Grace has transformed my life and has set me free. It was a privilege and a blessing to be a part of this School.

Yoophi Tyngkra from Meghalaya. One of the area the Faith Harvest Bible School has impacted my life was in the area of receiving and learning from everyone. Before joining this school, I had a thought that I knew some things about God, Grace and faith. So, when I sat in the class, for straight two weeks I was not able to receive anything as I was arrogant. But in one of the prayer class, the Holy Spirit touched me and revealed to me that I had pride and therefore I was not able to receive anything from the teachers. That very moment, I repented and asked God for forgiveness and said that I will receive His Word in humility and in faith, I was able to absorb and take the teachings and I began to receive new revelations. This school has truly taught me the value of seeking and to be humble.

Mr. Yoophi Tyngkra

Engaging in Transformative Mission Trips

The School Mission trips was a pivotal part of their equipping. They went out as messengers of hope learning to practice by faith what they had learned in the classroom. Lives were changed, both theirs and those they encountered.

ASSAM: *Revival Healing Deliverance*

A team of 11 students, led by Pastor Koheni and Brother Alo Lohe ministered to hundreds in Assam, at Grace Life Church, Goalpara. A 3 day revival was organized for the mission team and they experienced a powerful move of God through salvation, healing and deliverance. Many of the students experienced God using them in healing and the gifts of the Spirit, through words of knowledge and prophecy for the very first time in their lives.

MOKOKCHUNG: *Awakening*

The Mission trip to Mokokchung was a transformative experience centered around street evangelism, ministering to the hotel staff, visiting Impur Mission Center and meeting the needs of the members of Christ Church. The team was led by Pastor Magdaline and Sister Kaiphro along with 13 students. They were able to minister to about 150 people and few individuals received instant healing and the baptism of the Holy Spirit. A highlight of the mission was the trip to Impur Mission Center. Standing in the museum and reflecting on the impact of the Missionaries in Nagaland and the revival of 1976 led to a profound spiritual awakening among the students. They departed with a sense of fulfillment knowing that the seeds they have sown will bear much fruit in days to come and with the realization that the journey of faith is a continuous one.

DIMAPUR: *Mercy and Grace*

The team for Dimapur was led by Dr. Joyce and Brother Rapao, with 12 students, and hosted by Pastor Daniel of Grace Harvest Church. The team divided into 4 groups and went for home evangelism. They were able to pray for about 100+ individuals and many received healing and freedom as well. The highlight of the trip was partnering with Life Square church in feeding the poor at the Dimapur railway Station. The team shopped for and cooked and fed around 250 people. The mission trip was a fruitful and blessed one.

"How beautiful are the feet of them that preach the gospel of peace, and bring glad tidings of good things!" -Romans 10:15

GRACE CHRISTIAN FELLOWSHIP: *Power of the Spirit*

Ten students as a team were led by Brother Bulei and Sister Ameno to minister at Grace Christian Fellowship. The team had a life changing experience where their ministry personally touched the lives of over 220 youth, through the anointing and power of the holy Spirit moving through the team. The students also went for home evangelism where they had a powerful time ministering and planting seeds of faith in the lives of people. Scores of young people were saved and powerfully filled with the baptism of the holy Spirit.

LERIE CHAZOU, KOHIMA: *Powerful learning*

The team of 14 students was led by Sister Anile Kapfo and Brother Kenie Zao. The students visited about 20 houses and ministered to over 100 individuals. The team also had revival meetings for 3 days where the people received the testimonies and messages of the students with open hearts and about a few individuals received salvation, instant healings and prayer for different needs. The team believed that the seeds they have sown will reap a good harvest in the coming days. It was an inspiring and humbling experience for them all.

Ministry with Purpose

The students were actively engaged in different church ministries throughout their time in the school. They were able to participate in different facets of ministry in a healthy local church – worship, Sunday school, ushers ministry, ministry team, media, traffic ministry, etc. Through this they honed their leadership skills, nurtured their talents and deepened their understanding of God's calling and ministry. These things have prepared them to be effective ministers in their respective churches and communities.

Fun Activities

Besides the daily learning and teaching of the Word, the students also had their time of fun activities, outdoors and indoor. The students engaged regularly in sports and fostered a strong sense of community and friendship. Creativity took center stage during the dinner fellowship night.

Celebration & Gratitude

As we celebrate the achievements of our 57 graduates, we also extend our heartfelt gratitude to the dedicated faculty, staff and supporters who have made this journey possible. It's through your prayers and contributions that our school continues to serve the churches of this great nation of India.

And He said to them, "Go into all the world and preach the gospel to every creature. -Mark 16:15

Looking Forward

As these graduates embark on their individual paths with God, we are excited to see how they will carry the torch of the gospel to the nations. In conclusion, Faith Harvest Bible School is a place where 'dry bones turn into an army of the Lord'. Callings and giftings are received. Impartation and anointings released and destiny and purpose sharpened. Our heart and vision is to be a center of revival and powerful, healthy ministry training for now and the generations to come.
